

The Majestic Moustaches of 2011

CCTA celebrates Movember!

Thirty days of dedication have paid off, with the gentlemen of C.C. Tatham setting aside their personal insecurities to present some of the most mesmerizing moustachery around, all in the name of MOVEMBER!

Moustaches appeared throughout all the CCTA offices in an effort to support the Movember campaign which focuses on awareness, education and fundraising for men's health issues, most prominently Prostate Cancer.

By the stroke of midnight on November 30, the Mo Bros of CCTA raised a total of \$3465. These funds were then matched, dollar for dollar by CCTA upon removal of the said moustaches, bringing the total raised to \$6930.

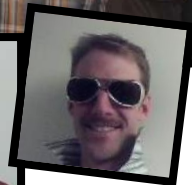

Congratulations on a job well done, and thank you to all the Movember supporters!

As a note, Canada had almost 250,000 new moustaches during Movember (2nd only to the UK) and raised a whopping \$38.7M (tops in the world!!).
